1. INTRODUCTION

The name on a ticket must match the passenger's official document (passport, ID card). Always pay attention to enter the passenger's name correctly when creating a new booking.

This guideline applies to:

- **OS (257), SN (082), LH (220) or LX (724) document.**
Since EN is not included in the LHG Agency Support, EN (101) ticket stock is excluded from this policy.
- **LHG flights** in this policy defined as: OS, SN, EW, LH, LX, EN, 4Y flight number and operated by OS, SN, EW, LH, LX, EN, WK, 4Y or their wetlease partners. For name corrections on WK operated flights always create a new PNR (see chapter 3: Technical restrictions).
- AC, UA flights in this policy defined as OS, SN, LH, LX, AC, UA flight number operated by AC or UA or their wetlease partners.
 - **Note:** no self-service name correction by the travel agent. **Any name correction for AC and UA flights must be done by the Lufthansa Group Agency Support!**
- OAL flights in this policy defined as: flight operated and/or marketed by any airline except LHG, AC or UA.
- Entirely **unused tickets**
- **Individual bookings.** The rules for group bookings apply as per the group contract.

Since f 01.July 2024 the Name Correction fee has been abolished, name corrections as per this policy are processed free of charge.

2. RULES FOR NAME CORRECTIONS

Changing the person travelling is never allowed. If another person is to travel, **a new ticket must be issued.** The new booking is subject to current availability and current fares. The original ticket may be refunded in line with the fare conditions.

Only **one** name correction per person is permitted.

2.1 Legal Name Correction

The **name of the person travelling** has **changed** as a result of marriage, divorce, gender reassignment, legal proceedings and/or due to a new passport/ID.

Proof is required (e.g., marriage certificate or decree absolute, divorce certificate), that the person travelling is the same. Once this is verified, the name will be corrected by the Lufthansa Group Agency Support.

2.2 Misspelled Name

Not every request can be accepted as a name correction.

Rules for correction of misspelled names:

Note: All information other than the name fields, the date of birth and the ID validity period should be blurred out before sending a copy of the National ID/Passport. Once Agency Support has verified the name, the required additional name(s) will be added by the Agency Support.		

- Other corrections than mentioned above will not be accepted/processed by the airlines of the Lufthansa Group.
- Deletion of second first name, middle name or second family name is not permitted.

3. TECHNICAL RESTRICTIONS

To avoid automated cancellation (UC/HX) of other airlines (OAL) segments, a **new PNR** shall be created, whenever a name correction is done in a PNR containing **OAL flights**.

- **Name correction on WK** operated flights **must be processed by creating a new PNR**. Any name correction done within the same PNR will not be synchronized to WK and will result in problems upon check-in/boarding!
 - If **Eurowings** (EW) segments are included in the PNR, please contact your Lufthansa Group Agency Support prior to a name correction.
 - If an **FQTV element** is included in the PNR, a name correction might technically not be possible. If possible, delete the FQTV element and re-enter it after the name correction. Otherwise create a new PNR. Please contact your Agency Support if in such case an LHG flight is not available in original RBD.
 - Depending on the **synchronisation functionality** of the reservation system used, name corrections carried out by Lufthansa Group Agency Support may not be synchronised in the original PNR. In this case, contact your technical help desk. If synchronisation is not possible, new PNR must be created.

4. NEW PNR CREATION PROCESS

Enter the name in the new PNR in accordance with the passenger's **valid travel document**.

- **Book the original flights** in the original RBDs as in the original PNR:
- The **original PNR must remain active & unchanged until the finalization of the new PNR**.

RBD reinstatement process:

When original flights:	Then create new booking:	And:
Are operated and marketed by LHG and/or AC, UA	<ul style="list-style-type: none"> • 'Confirmed' status or • 'Waiting list' status or • in the next higher available RBD, if the original booking class is closed 	Contact the Lufthansa Group Agency Support if one or more flights are not confirmed in original RBD: <ul style="list-style-type: none"> • LHG and AC, UA flights reinstatement will be initiated in the new PNR. • afterwards the segments in the original PNR will be cancelled by the respective airline.
Are operated and/or marketed by OAL	<ul style="list-style-type: none"> • 'Confirmed' status in the original RBD or • 'Confirmed' status in the next higher available RBD. 	The Lufthansa Group Agency Support cannot help you with flight confirmations for other airlines. If OAL flights can only be confirmed in a higher RBD the fare difference is applicable.

5. IF NAME CORRECTION IN THE TICKET IS NOT FEASIBLE

If a name correction is not possible (e.g. update of more than 2 letters in the last name requested), passengers can decide whether they want to travel with the incorrect name on their ticket) or purchase a new ticket.

Adding an SSR DOCS with the full/correct passenger name is recommended if the passenger wishes to use the original ticket.

5.1 Immediate Notice after Ticket Issuance

If the incorrect name is noticed immediately after the ticket has been issued, there are two choices:

- void the ticket or
- refund within the 'grace period' (next calendar day)

If voiding or refunding the ticket within the grace period is not possible anymore, proceed to option 5.2 or 5.3.

5.2 Issue a New Ticket:

Make a new booking with the correct name and

1. Issue a **new ticket** based on current availability, prices and all fare conditions at time of ticketing.
 - The fare/total price in the new ticket may be equal, lower or higher.
2. If the person traveling and the booked flights remain unchanged, a refund waiver for the originally issued ticket can be requested from the Lufthansa Group Agency Support.
 - The OPC (Optional Payment Charge) and the DCC (YR Tax) remain non-refundable.

Note: if technically possible in the reservation system used, you may reissue the original ticket in the new PNR provided all name correction rules (including mandatory entry in endo box “NAME CORRECTION”) are observed.

5.3 Correct Name Entry as SSR DOCS:

Enter the correct name as an SSR DOCS element in the original PNR using the following format:

```
SSR DOCS YY HK1 ////DDMMYY/F//LAST NAME/FIRST  
NAME/MIDDLE NAME
```

- It is highly recommended for the passenger to carry a printout of the PNR during the journey.
- Note that it is the passenger's decision to travel with a ticket containing an incorrect name. If this causes problems, e.g., at check-in or immigration control, it may be necessary to purchase a new ticket with the correct name during the journey.
- The passenger can only check-in online using the name entered in the name field of the PNR/ticket in such cases.
- For flights to the USA, APIS Data (SSR DOCS) and passport information must match 100%. Using SSR DOCS instead of correcting the name in the PNR/ticket is permitted as long as it is recognizable that it refers to the same person.

6. REISSUE OF TICKET

Once a name correction has been made, the ticket must be reissued.

- Endorsement Box: NAME CORRECTION
- No waiver from your Lufthansa Group Agency Support is required for these reissues.

6.1 Handling of associated ancillary EMDs

Name correction on EMDs is technically not always supported. In this case, refund the original EMD (if needed via BSP Refund Application or other known process in non-BSP markets) and issue a new EMD. Please contact your travel agency support for a waiver.

The Lufthansa Group Agency Support can assist with EMDs issued on **OS (257), SN (082), LH (220) or LX (724) document.**

Any partner EMD (e.g. UA [016] or AC [014] present in the PNR needs to be handled by the respective partner airline.

7. NAME CORRECTION BEFORE TICKET ISSUANCE

If a name correction is requested before the ticket is issued, the **same rules** apply as for a name correction after ticketing.
