

THE REWARDS YOU CAN REDEEM FOR YOUR COLLEAGUES AND OFFICE

Travel rewards for businesses of all shapes and sizes

If you've signed up your business to **Lufthansa Group's PartnerPlusBenefit** company bonus programme you're well on your way to earning BenefitPoints that can later be redeemed for perks to suit your colleagues or your whole office.

These perks can be exchanged with the following Lufthansa Group airlines and partners:

So how many BenefitPoints do you need to start redeeming a perk for your colleagues or office, and what are the rewards PartnerPlusBenefit offers?

This brochure will give you all the information you need on redeeming your points and the perks you can acquire, allowing you to start saving and spending whenever you want, wherever the destination.

Lufthansa is a great airline that services the travel needs of many of our colleagues. Having dedicated account management along with a company benefits programme is very advantageous to our company.
