

**Europe Japan Joint Venture**  
More choices, more value

# Welcome to the Europe Japan Joint Venture

## More options to Japan with ANA

The joint venture with All Nippon Airways covers a strategically important traffic region and offers passengers a variety of benefits:

- Great flexibility thanks to combinable fares and coordinated timetables
- Excellent connections via Frankfurt, Munich, Vienna, Zurich and Tokyo to/from important destinations in Europe and Japan
- Lufthansa and ANA direct flights with Boeing 787 and the Boeing 747-8 (Lufthansa) to Tokyo Haneda Airport, close to the city center
- Various direct flights from Brussels, Dusseldorf, Istanbul, London, Milan, Moscow, Paris and Stockholm to Nagoya, Osaka and Tokyo

## All Nippon Airways – ANA First Class

Hospitality by Design. Rest by Design. Taste by Design.

- A square cabin and high wall panels provide the ultimate in space, privacy and comfort
